

MAY THE LIGHT OF LOVE

David Roth is one of my favorite singer/songwriters. The words to his song May The Light of Love capture the essence of my feelings and are reprinted with his permission.

As we come around to take our places at the table
A moment to remember and reflect upon our wealth
Here's to loving friends and family, Here's to being able
To gather here together in good company and health

May we be released from all those feelings that would harm us

May we have the will to give them up and get them gone
For heavy are the satchels full of anger and false promise

May we have the strength to put them down

May we wish the best for everyone that we encounter
May we swallow pride and may we do away with fear
For it's only what we do not know that we have grown afraid of

And only what we do not choose to hear

As we bless our daily bread and drink our day's libations
May we be reminded of the lost and wayward soul
The hungry and the homeless that we have in every nation

May we fill each empty cup and bowl

May nothing ever come between or threaten to divide us
May we never take for granted all the gifts that we receive

Being ever mindful of the unseen hands that guide us
And the miracles that cause us the believe

May the light of love be shining deep within your spirit
May the torch of mercy clear the path and show the way
May the horn of plenty sound so everyone can hear it
May the light of love be with you every day.
