

We are reprinting a poem by Robert Muller,

Decide to Forgive

Decide to forgive
 For resentment is negative
 Resentment is poisonous
 Resentment diminishes
 And devours the self.
 Be the first to forgive,
 To smile and to take the first step.
 And you will see happiness bloom
 On the face of your human brother or sister
 Be always the first
 Do not wait for others to forgive
 For by forgiving
 You become the master of fate
 The fashioner of life
 The doer of miracles.
 To forgive is the highest,
 Most beautiful form of love.
 In return you will receive
 Untold peace and happiness.

The Great Invocation

*From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let Light descend on Earth.*

*From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.*

*From the centre where the Will of God is known
Let purpose guide the little wills of men -
The purpose which the Masters know and serve.*

*From the centre which we call the race of men
Let the Plan of Love and light work out
And may it seal the door where evil dwells.*

*Let Light and Love and Power
restore the Plan on Earth.*
